

LDD CONSTRUCTION

FIRE PROTECTION APPRENTICESHIP OPPORTUNITIES

LDD Construction Ltd. are a specialist building contractor operating throughout London and the South and East of England.

WHAT CAN YOU EXPECT?

As an apprentice you will work through a structured programme that will take approximately two years.

The programme will combine practical onsite experience, academic learning at college and personal development modules.

As part of the LDD Apprenticeship programme, you will be expected to achieve a level 2 NVQ framework.

You will be supported during your apprenticeship programme by our experienced construction professionals.

You will be assigned a dedicated mentor that will work closely with you, providing regular feedback on your progress towards completing your apprenticeship. LDD offer competitive rates of pay and paid travel.

For each placement, you will sit with a manager, who will allocate your work and be your main point of contact and will supervise you during your placement.

At every step, we'll make sure you feel involved and part of the LDD Family.

THE IDEAL CANDIDATE

Will be enthusiastic and ambitious, with the longer-term potential to progress to a supervisory.

YOU WILL ALSO NEED TO MEET THE FOLLOWING CRITERIA

- Eligibility without restrictions to live and work in the UK
- 16 or over
- Not in full-time education
